Extend Your Molecular Services to More Physicians

A customized order entry and results reporting solution, Sunquest Physician Portal for Sunquest Mitogen™ LIMS is an essential tool for esoteric labs looking to grow their molecular or genetic testing volume, capture complete orders, improve patient safety, and deliver reliable results.

PORTAL FEATURES

- Pre-configured portal that quickly provides physicians easy access
- Online personalized laboratory test catalog
- Powerful search capabilities across patients, orders, results, and test catalog
- Support for pooled testing

DETAILED ELECTRONIC ORDERS

- Capture patient insurance and billing information
- Run a test utilization report of ordering history by physician and/or clinic
- Capture pre-authorization information to improve billing workflow
- Ask at order entry questions to capture test-specific requirements
- Identify STAT and other special handling orders
- Print lab-ready, branded requisitions and specimen labels
- Automatically perform medical necessity checks

EFFICIENT RESULTS DELIVERY

- Decrease turnaround time (TAT) and reconciliation calls with clean orders
- Review and print PDF result reports
- Send email notifications of result availability
- Auto-print reports to printers at physician offices

About Sunquest • The One delivering labs to new heights
Sunquest Information Systems Inc. provides diagnostic informatics solutions to laboratories worldwide. With our wide-ranging technical and cross-discipline expertise, and equally deep business acumen, no one is better equipped than Sunquest to transform your lab to meet today’s complex healthcare challenges and deliver next-level performance. Since 1979, Sunquest has helped laboratories and healthcare organizations enhance efficiency, improve patient care, and optimize financial results. Our capabilities include multi-site, multi-disciplinary support for complex anatomic, molecular and genetic testing, and support engagement with physicians and patients outside the hospitals at the point-of-care. Headquartered in Tucson, AZ with offices in Calabasas, London, Dubai, Bangalore and Brisbane, Sunquest is a global leader in healthcare information technology.
